

THE
THIRD WORLD
CONFERENCE FOR
MORAL RE-ARMAMENT

1965

Odawara Japan

We warmly invite you to attend

the Third World Assembly

at

the MRA Asian Centre

Odawara, Japan

from

10th to 17th, October

1965

Shinji Segs

Chairman, Invitation Committee

AIMS OF THE CONFERENCE :

- * To forge a theme and direction for our national policy adequate to lead both the Communist and non-Communist worlds to the next stage of human history.
- * To build unity among nations, classes and races.
This takes genius, commitment and a common aim. A permanent cure for hate and fear can come from Asia for the rest of the world.
- * To declare a war against poverty and its cause. With unity, honesty, and a big aim Asia can yet lead the world to a golden age where everybody will have enough because everybody cares and shares.
- * To proclaim to the world that Japan with Moral Re-armament will give an active ideological lead to Asia.
Neither West nor East has yet produced the right theme for humanity for the 21st Century. Together we will boldly attempt to give it to the world.

INVITATION COMMITTEE

* "SING OUT '65", a new musical extravaganza by the youth of America representing 48 States, will come to Japan straight from its triumphant performances in the United States.

* Opening assembly for the "World Student Organization" will be held simultaneously as a part of this conference. Student leaders from all over the world will participate.

* Distinguished speakers and personalities will address the assembly every day. Performances of plays and films will be given in the evenings.

* Accommodation will be available at the MRA Asian Center and at adjoining hotels and inns in the area.

* Replies should be sent to:
